

SUMMER READING CHALLENGE

Take the challenge! Students and families are encouraged to read as many books as possible over the summer and strive to read the minimum number of books recommended for their grade level. Please return all reading forms to your teacher by September 28th 2018. [Click here](#) to go to the BTPTA website and print the reading log. Just print as many copies that are needed to include all the books you have read. During the school year, you will receive a reward from the PTA for your reading accomplishments. The rewards vary. In the past they have included free books at the book fair, movie tickets and bowling trips. If you have any questions, feel free to contact Meghan Lissner at btpta@btpta.org. Have a wonderful summer!

Best,
Meghan Lissner
