

TBC is Going Paperless!

Dear Parents/Guardians,

Beginning with the 2015-2016 school year, the Bethlehem Township School District is planning to go "paperless". Instead of sending home hard copies in a Backpack Mail that may not make their way home, all communications will be distributed via the Genesis Parent Portal.

We hope that you will support this effort, but understand if you need paper because you do not have (or have limited access to) a computer. If you need to continue to receive all announcements and flyers in your child's Backpack Mail via hard-copy, please note your choice in the space below.

If you want to receive communications electronically via the Parent Portal, no further action is required on your part.

It will be presumed that anyone who has not returned a response on this form will want to receive their updates electronically going forward. By NOT returning this form to school you are agreeing to no longer receive school communications via hard copy Backpack Mail distribution.

If you have any questions, please contact Ellen Chokola at echokola@btschools.org or 908-537-4044 ext. 1229
